## VISION

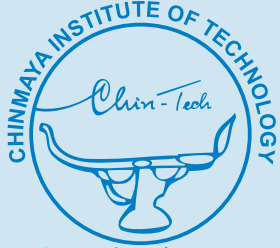

"We believe in perfection, excellence shall be tolerated"

We will be among the top self supporting professional educational institutes with global impact and strong local commitment. Our practices will make us one of the most sought after institutes. Our students who will be future professionals shall inculcate the best business practices.

## MISSION

To prepare professionals who are leaders and trend-setters in their respective fields; to bring out the potential and groom each student to become Initiator-Explorer-Experimenter-Leader-Technopreneur.

# CHINTECH WELCOMES YOU

Dear Student/Parent

It gives us immense pleasure to introduce you to Chinmaya Institute of Technology, Kannur popularly known as "CHINTECH".

Established in the year 2002, by the auspicious Chinmaya Mission Educational and Cultural Trust, Kannur, the courses offered by CHINTECH are approved by All India Council for Technical Education, New Delhi, approved by Government of Kerala and affiliated to the Kannur University.

What make us unique? We provide an integrated system of education that blends secular knowledge with spiritual awareness. Our emphasis is not just on knowledge, but also on personal, spiritual and social development. This makes our students resilient, innovative, competent and creative leaders.

We are confident that Chintech can groom highly self-motivated individuals with the right attitude, skills, talent and passion to excel in their chosen areas. Together, let's foster a warm and enduring relationship.

## TEAM CHINTECH

Chinmaya Institute of Technology  
Kannur

## MESSAGES

Hari Om!

To produce world class leaders, men and women of competence and character, who could inspire and bring out the best in others was Poojya Gurudev Swami Chinmayanand's vision. Thus He sought to amalgamate the unique strengths of both East and West of spirituality and science, the interior and the exterior towards that end. It is in this vein that the Chinmaya Institute of Technology was conceived. CHINTECH seeks to lift and empower the youth of this nation by offering them the best technical education in the finest values – based environment, such that they emerge not only as future architects of a more comfortable and pleasant world, but also as stalwarts of a more joyous and meaningful existence for all.

After all, technology is merely a means, and humanity the end it is supposed to serve. How easy it is to forget this fundamental truth and be lost in the pursuit of material progress, especially for oneself only, without recognising our talents as gifts actually, meant to help us uncover the Absolute Truth, through enquiry, love and service! It has given me great delight over the years to see students from all background who have been groomed on the pristine campus of CHINTECH, fly out to different part of the world and make their mark as exemplary technocrats wherever they go. May Gurudev's message and His grace continue to pervade the efforts of each and everyone associated with this prestigious Institute. I wish CHINTECH the best of opportunities to expand and deliver its distinctly life-enhancing education to all the youth of this again – rising nation.

Hari Om!!  
At His Feet,

**Swami Swaroopananda**  
Global Head – Chinmaya Mission

Hari Om!

It gives me immense pleasure to speak about Chinmaya Mission and the various Institutions presently working under it. Chinmaya Institute of Technology, Kannur is no exception. The Institution has so far trained many students, who are posted in good positions in corporate and administration levels all over the world and are serving as senior professionals.

It was the aim of Param Poojya Gurudev Swami Chinmayanandaji to give children a true vision of life to help them face challenges in a positive and dynamic manner and heartily contribute to society. The main aims of the educational system of Chinmaya Mission are to develop Indian culture, patriotism and universal outlook. The vision offers the children value based and holistic education which paves way for integrated development of the physical, mental, intellectual and spiritual aspects of their personality and is enriched by the knowledge of Indian culture.

The first Chinmaya School came up in the year 1964 and the objective was to "transform Indians" in order to "Transform India". The Mission has a set of guidelines or objectives which address value based education and it includes patriotism, culture, health and hygiene among other things. CHINTECH is a professional Institution which offers MCA and MBA programmes. It was formed in the year 2002 with the aim to groom students of all classes to be self reliant, dedicated, enterprising and above all, good human beings.

With this message, I sincerely wish the Institution all success and may create more and more professional with good sense of humour and ability to meet challenges wherever they go. I am sure this will come true with the blessings of Gurudev.

**K.K. Rajan**  
Chief Sevak  
Chinmaya Mission Educational & Cultural Trust, Kannur

Hari Om!

Welcome to Chinmaya Institute of Technology, a platform that serves to mould the leaders of tomorrow. True to the spirit of the mission and vision of Pujya Gurudev Swami Chinmayananda, the Chinmaya Institute of Technology offers a fertile academic ground to groom and guide young graduates. It aims at producing a new generation of self confident, efficient, disciplined, dynamic, dedicated, enterprising young professionals, especially proficient in multi-disciplinary areas of IT and Management, who would stand out in the highly competitive world.

The pressures of continuously performing in the world of business will give the students opportunities to apply and test what they have so rigorously learnt in the college. In pursuance of our vision, we have trained our students keeping in mind the expectations of the industry also. With the strenuous efforts of my students and colleagues, we have been able to bring out world-class professionals who are capable enough to face the challenges of the corporate world

**Prof. Dr. T. Asokan**

Principal, Chinmaya Institute of Technology

# CHINTECH

Chinmaya Institute of Technology, popularly known as ChinTech, was established in 2002 under the auspices of the Chinmaya Mission as part of its Golden Jubilee Project. The institute offers regular post graduate courses in Business Administration (MBA) and Computer Applications (MCA). ChinTech is affiliated to the Kannur University, recognised by the Government of Kerala and approved by the All India Council for Technical Education (AICTE), New Delhi. Equipped with state-of-the-art infrastructure and well-qualified faculty, the Institute has distinguished itself in the higher education arena of Kerala. ChinTech endeavours to maintain a close interaction with industrial establishments across the nation.

ChinTech alumni are employed at globally reputed companies such as Amazon, 3M India, Taj Vivanta, IBM, Wipro, Accenture, Infosys, TCS, Citibank, Federal Bank, ICICI, HDFC, Ford, Reliance, Indian Express, Thomson Reuters and Deutsche Bank, to name a few. At Chinmaya Institute of Technology, we maintain the highest quality and perfection in whatever we do. We believe that all our students have the potential to become leaders in their respective fields and that we can unbridle that potential and turn them into true human leaders. On its serene, salubrious and sylvan campus situated atop the Govindagiri hillock commanding a beautiful view of the Arabian sea, we enable our aspiring professionals to achieve a higher degree for a greater life.

## ACADEMIC PROGRAMMES

### MBA

#### Master of Business Administration

The MBA programme offered by the institute is of global outlook while fully assimilating the local industrial scenario. True to the objective of education, the teaching of management sciences at the institute also seeks to empower the students by exposing them to the corporate environment in the country. ChinTech faculty work empathetically with the students and have designed dedicated learning modules with measurable outcomes. Through this process, we mould their perspective as well as their analytical, communicative and leadership skills.

Spread over four semesters, the course imparts a sound base of knowledge and skills in the functional disciplines of management as well as in the use of IT tools in business. The know-how thus developed, enables young managers to excel in businesses in emerging technology and knowledge-oriented sectors. The two-year course provides for 8 weeks of summer training / industrial project in the final semester as per the requirement of Kannur University, along with an Organization study of 4 weeks in the third semester.

### MCA

#### Master of Computer Applications

The curricula and syllabi of Master of Computer Applications (MCA) course are prepared in tune to the need of different Software Industries in India and abroad. The MCA programme is designed to enable the students to develop fundamental concepts, models and theories to support applications of Computers and Information Technology. The ChinTech School of Computer Science and Information Technology focuses on grooming IT industry leaders with concrete technical knowledge.

It aims to make them perpetual learners, sharpening their conceptual skills and providing them an orientation that would enable them to be explorers and experimenters. It would bestow them with leadership qualities to pursue a growth-oriented career. ChinTech emphasises the use of Open Source Software and GNU/Linux as a platform for experimenting and learning. ChinTech MCA students are highly proficient in Enterprise Java Programming(J2EE), Linux Kernel and Network Programming apart from application development on GNU/ Linux Platform.

**MBA (Two years, four semester dual specialisation) 60 Seats (Admission based on Entrance, GD and interview score of applicants to ChinTech MBA)**

### Specialisations – MBA

Marketing, Finance, Human Resources, Tourism and Hospitality Management, Healthcare Management, Banking and Insurance Management, Retail Management, Airline & Airport Management.

### Eligibility for MBA

A pass in any bachelor's degree examination (10+2+3 pattern) in Arts, Science, Commerce, Management, Law, Engineering, Medicine, Agriculture etc. of Kannur University or any other Indian or Foreign University duly recognized by the Kannur University as equivalent thereto.

- Applicants to the MBA programme are required to have scored not less than 50% marks in aggregate, or a minimum grade 'B' in the qualifying examination.
- However, candidates belonging to the other backward communities are eligible for a concession of 5 percent marks (or equivalent grade) in the qualifying examination. Those belonging to scheduled caste/scheduled tribes having secured a pass (or equivalent grade) in the degree examination are eligible to apply for admission to the programme.
- Selection is based on Entrance Score in any of the following three examinations plus interview and Group Discussion.

### Entrance Score Required

Name of the Exam	General Category (15%)	SEBC Category (10%)	SC/ST Category (7.5%)
CAT	45 Marks	30 Marks	22.50 Marks
C-MAT	60 Marks	40 Marks	30 Marks
KMAT	108 Marks	72 Marks	54 Marks

Admission Process 80:10:10 ( 80% weight age for Entrance Score, 10% for GD, 10% for Interview)

**MCA (Two years, four semester programme) 60 Seats (30 State merit allotted by LBS & 30 Mgt. Quota based on LBS Entrance score)**

### Core Subjects – MCA

Python Programming, Java Programming, Linux Administration, Database Management Systems, Software Engineering, Web Technology, Theory of Computation, Computer Graphics with OpenGL, Principles of Intelligent Systems, Data Science, Big Data Analytics.

### Eligibility for MCA

- Passed BCA-Bachelor Degree in Computer Science Engineering or equivalent Degree.

OR

- Passed B.Sc / B.Com / BA with Mathematics at 10+2 Level or at Graduation Level. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.
- Selection is based on LBS Entrance score.

Out of the 60 seats, 30 seats come under state merit and will be allotted by LBS. The remaining 30 seats will be filled as Management Quota from LBS – qualified candidates who had applied online for MCA Admission at ChinTech.

2017-19 - 92.00%

2019-21 - 65.00%  
2018-19 - 66.67%  
2017-19 - 66.67%

## INFRASTRUCTURE & FACILITIES

### General Facilities

- A complete E-learning platform- Virtual Classroom and Meetings, Highly Secured, Dedicated ChinTech Video Server, Unlimited Usage and Unlimited Users, High-Performance Network with Learning Management System (LMS) for single sign-in, Course Materials, Assignments, Exam and Grading, SMS and Chat.

- Wi-fi campus, AC Classrooms, Computer Lab, Seminar Halls, Conference Halls, Multimedia Classrooms, Gymnasium, Shuttle Court, Basket Ball Court, Tennis Court, Incubation Centre.

- Private cloud – using IBM Blade Centre Server to provide highly reliable and secure services to all Chinmaya Institutions. Ten-Node Hadoop cluster Lab.

- Empowerment Programmes-Spiritual retreat for re-awakening.
- Google App – To provide e-mail, calendar and documents for collaborative study with Institute domain chintech.ac.in
- Monthly e-magazine "Sandesh" – For the Students/ Faculty members to publish their achievements and creative work.
- Koha – Open source integrated library system DSpace digital library
- Invited Talks & Workshops
- Industrial Projects & Internships
- Library and Information Centre – Providing National & International Journals and e-books
- Well-equipped computer lab with high configuration desktop computers
- Added Certificate courses for Students
- Latest technologies incorporated in Syllabus
- Personality Development Programmes
- Personal Students Mentoring
- Webinars
- Case Study and Internship

### Special Facilities

- Separate Hostel for boys and girls within the Campus
- Canteen Facility
- Rest Room Facility
- Transport Facility
- Reading Room Facility
- Recreation Facility
- Campus Nurse
- Gym with modern gadgets
- Fatigue Room
- Prayer Room

### School of Management Studies

#### Immersive Pedagogy, Impelled by Technology

Soft skill, Presentations, Debates, News Analysis through all four semesters and Placement training in the last semester. Organizational experiences in event management through conduct of annual techno-management meet "Prachodan". Monthly Business News Summary published in-house.

### School of Computer Science & Information

#### Technology – Exciting Learning Environments

School of CS & IT emphasizes use of open-source software and GNU/Linux as a platform for experimenting and learning. SCS&IT provides rich and positive learning environment through

- Moodle – Learning Management System
- Fedena – Software for Management Academic Activities
- GIT/Git hub – Version control for students Project/Lab work
- Spoken Tutorials for Flip class learning

### Library & Information Centre

A fully automated modern Library & Information Centre with Koha and DSpace for content and document management systems. ChinTech library holds more than 12,000 volumes on computer Science and Engineering, Information Technology, Mathematics, Management Studies, General Topics and have subscription to over 70 industry and academic journals, periodicals, Newspapers and 4000+E-Journals and E-Books. Library has online access to DELNET repository.

## Students' Empowerment Programme

ChinTech has pioneered a radically new approach to education through the Students' Empowerment Programmes. These programmes are outbound workshops of seven to fourteen days duration, conducted at various metropolitan cities in the country.

During the Empowerment Programme, students get the opportunity to interact with experts by way of deliberations on various topics related to Management Science. In addition, the students are taken for industrial visits and also to places of historical and cultural importance with the purpose of reawakening them to Indian culture and heritage. So far, the Empowerment Programmes have been held at Kochi, Mumbai, Pune, Delhi and Tapovan Ashram, Sidhbari (Himachal Pradesh).

## Impact Talks

Yet another innovation in the programmes offered by ChinTech, the Impact Talks series feature eminent leaders from various walks of life. The ongoing programme envisages more such sessions in physical and virtual modes with leaders from academia, industry, media etc.

## Scholarship

To encourage and support meritorious and needy students, Chinmaya Institute of Technology offers scholarships to deserving students from the MBA and MCA programmes.

## Seminars & Conferences

At ChinTech, faculty members and students organise, conduct and also participate in seminars and conferences. They also participate in major National and International conferences and seminars.

## Sports Facilities

ChinTech provide the following sports facilities under the guidance of trained Coach.

1. Swimming (Girls & Boys)
2. Lawn Tennis
3. Basket Ball
4. Shuttle Badminton
5. Table Tennis
6. Gymnasium

## TESTIMONIALS

*“Chintech grooms students in all aspects, continuously provide sessions by corporate experts, presentations, seminars, role plays, debates on current affairs, role plays etc. The Placement Cell provides individual attention and continuous feedback which helps in personal and career growth.”*

**Shinas**

SAP Supply Chain Management Consultant,  
Tata Consultancy Services  
MBA 2011-13

*“Various programmes at Chintech focus on breaking your comfort zone, allowing you to learn new technologies and reskilling you to meet the corporate demands.”*

**Jayamrith J.**

Project Manager, Cognizant Technologies  
MCA 2009-12

*“One of the best decisions I made was to pursue my MBA from Chintech. The facilities, the ambience, the faculty were all just amazing.”*

**Sindhu Sathish Kumar**

Personal Banker, Santander Bank, UK  
MBA 2006-08

*“The learning - centric environment crafted here not only trained us in the academic curriculum but also motivated us to be the leaders. Chintech will always be another home for us.”*

**Nijina Jayaraj**

Senior Software Engineer, Ubix Systems  
MCA 2013-16

*“Chintech is the college that helped me stand stronger for what's coming in the future. My three years at Chintech were great and a memory to cherish for a lifetime.”*

**Nimisha P.**

Software Engineer, Wipro Technologies  
MCA 2015-18

## TRAINING AND PLACEMENTS

The institute has a Training and Placement Cell headed by well qualified and experienced Training and Placement Officers. The ICT - enabled cell has been efficiently carrying out multifarious activities like placements, summer training, industrial visits, seminars, students counselling etc. Notwithstanding the fact that most students of the institute are fresh graduates, the Placement Cell strives towards their Employability Enhancement by grooming them in aptitude test and interview skills.

The placement cell consists of five faculty members and six student executives. Regular meetings and brain storming are done on an ongoing basis towards making the placement efforts successful.

## PLACEMENT PROCESS

Companies are invited to the campus for taking part in the placement programme on dates which are mutually convenient. Companies are requested to make offers on the campus itself.

## GUIDELINES FOR PLACEMENT

Biodata containing the detailed information of students would be made available to the company and the joint campus placement process can be arranged by the cell. The company may decide to deliver a pre-placement talk prior to successive stages of selection. As per convenience, company may conduct written test/group discussion/interviews in the campus. Companies may confirm the final selection of the students while on campus or at the earliest possible date. Job offers and response shall be routed through the placement office unless otherwise specified.

**Prof. C.N. Balakrishnan Nambiar**  
Principal, Devaki Amma Memorial Technical Education College

*"Children are very receptive and the organising of the event was excellent. I found them quite active in Group Discussions."*

**G. Balachandran**  
International Trainer and Coach

## DISCIPLINARY CODE

- We regard each student as a member of the ChinTech fraternity. All students are required to wear their institute identity card while on the campus.
- Uniformity in dress code fosters team spirit and commitment to common cause. All students should subscribe to the dress code of the institute without fail.
- Time consciousness is a professional's greatest virtue. At ChinTech, students are expected to be punctual and regular in all the classes.
- Each student is expected to assume ownership in safeguarding and preventing damage to the institute's property.
- Unhealthy, unethical and antisocial practices like smoking, consumption of alcoholic/intoxicating drugs, ragging and eve-teasing are not expected from professional students. We urge our students to desist from such practices lest they should attract punishment including debarment from the institute and other penalties under the CrPC.
- To inculcate the spirit of patriotism and an awareness of Indian culture and heritage, various cultural activities and national festivals are observed at ChinTech. It is the responsibility of all the ChinTech fraternity to attend these functions.
- Time is precious. No professional student can afford to waste his / her time indulging in political activities and agitations. Hence, such practices are strictly banned on the institute campus.

## IMPORTANT NOTE

**In accordance with the directions of the Honourable Supreme Court of India and the guidelines issued by the University Grants Commission, ragging in any form within or outside Educational Campuses is strictly prohibited. Anyone indulging in ragging is liable to be punished as per the prevailing laws, including expulsion from the institute and/or imprisonment upto 3 years, and/or fine up to Rs. 25,000. For details, please log on to [www.ugc.ac.in/ragging.html](http://www.ugc.ac.in/ragging.html)**

As per Government regulations, mobile phones are banned on educational campuses. If a student is found in possession of mobile phone within the institute during working hours, the authorities will have no choice but to confiscate the phone.

Any legal dispute regarding administrative or academic affairs the institute are subject to the exclusive jurisdiction of the company often courts/forums in Kannur.

The Management of Chinmaya Institute of Technology reserves the right to amend/alter the rules and regulations of the institution from time to time.

The decision of the Management of Chinmaya Institute of Technology with respect to any administrative and academic matter is final and binding upon all ChinTech members at all times.

## INTERNAL COMPLAINTS COMMITTEE

As per the D.O.No F 91-9/2015 (GS/MHRD) dated 5 July 2016 by University Grants Commission, an Internal Complaints Committee (ICC) is constituted
